Coffee Fossilized® Wide Click Bamboo Flooring

A truly beautiful and unique floor.
Fossilized™ Coffee is a darker tone floor that combines the flexibility of solid bamboo and the ease of install of a wide plank click lock floor into a rich and beautiful look that's as strong and extremely durable. Fossilized® Strand Wide Plank bamboo flooring is designed to install over any subfloor: concrete, cement, wood, tile, linoleum, radiant heat and more. Fossilized™ Strand bamboo flooring is specifically designed for high traffic areas, or anywhere a beautiful, indestructible floor is desired.

- **Ideal for high traffic areas**
- **Click lock wide planks install in 1/3 of the time**
- **Wider, longer planks give a cleaner more modern look**
- **Industry leading 10 coat scratch resistant finish**
