Antique Java Fossilized® Wide Click Bamboo Flooring

Experience the World's Hardest Floors™

Transform any room with beautiful, new flooring, the CaliClick™ milled-edge click lock flooring system simplifies flooring installation. Perfect for DYI enthusiasts – it's the fastest and easiest to install, designed to snap together that allows for floating installation without the need of nails or glue. Cali Bamboo's flooring undergoes a proprietary manufacturing process that holds a score of more than 5000+ on the Janka Hardness test making these floors not only easy to install but the World's Hardest Floors™ and perfectly designed for commercial and high-traffic areas.

- **Ideal for high traffic areas**
- **Installs over all subfloors including radiant heat**
- **Wider, longer planks give a cleaner more modern look**
- **Industry leading 10 coat scratch resistant finish**
